

ProCredit Bank

Partner for green investments in Southeastern and Eastern Europe

**Online Veranstaltung 14. Nov. 2024 „Grüner wird's nicht –
Thema: Finanzierung grüner Projekte“**

We are the banking partner of choice when doing business in South Eastern and Eastern Europe

We are part of the international ProCredit group, headquartered in Frankfurt am Main, Germany. The group's sustainable and impact-oriented approach contributes to the flourishing of businesses in our countries of operation.

Local connections

Gain access to your target markets. Benefit from regional expertise with our local ProCredit banks.

Renewable energy focus

Get an experienced partner for renewable energy project finance across South Eastern and Eastern Europe.

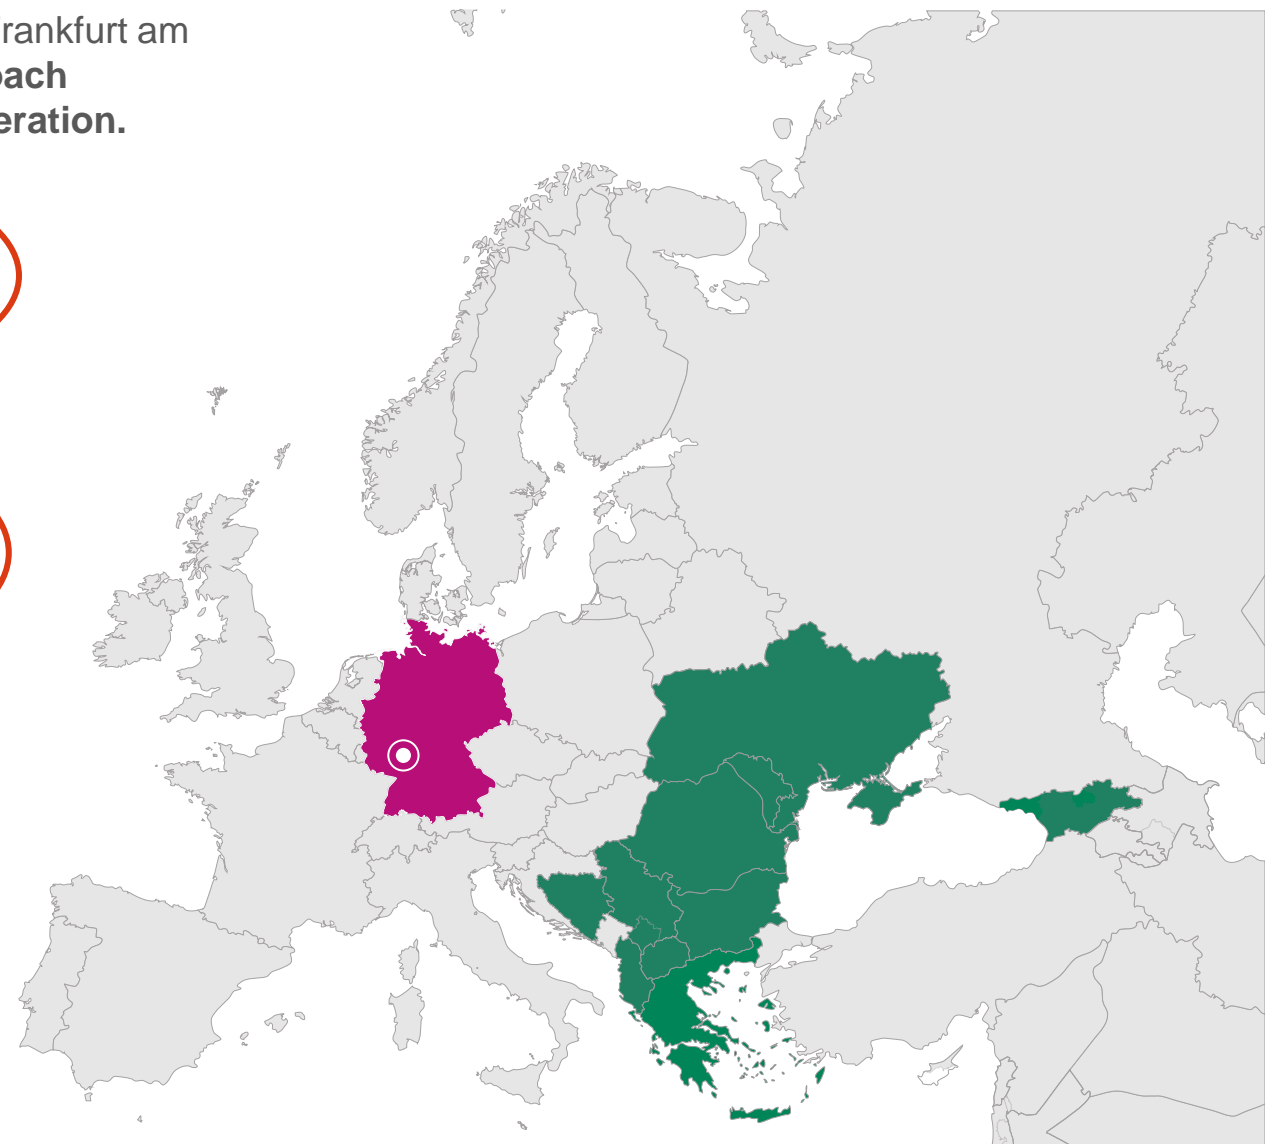

Cross-border payments

Take advantage of centralised cash management and streamline cross border payments with our ProPay solution.

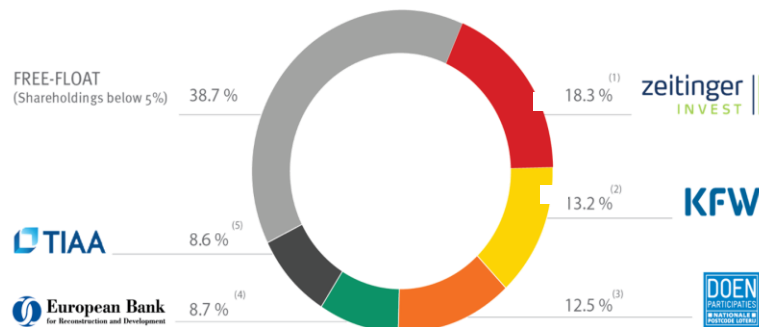

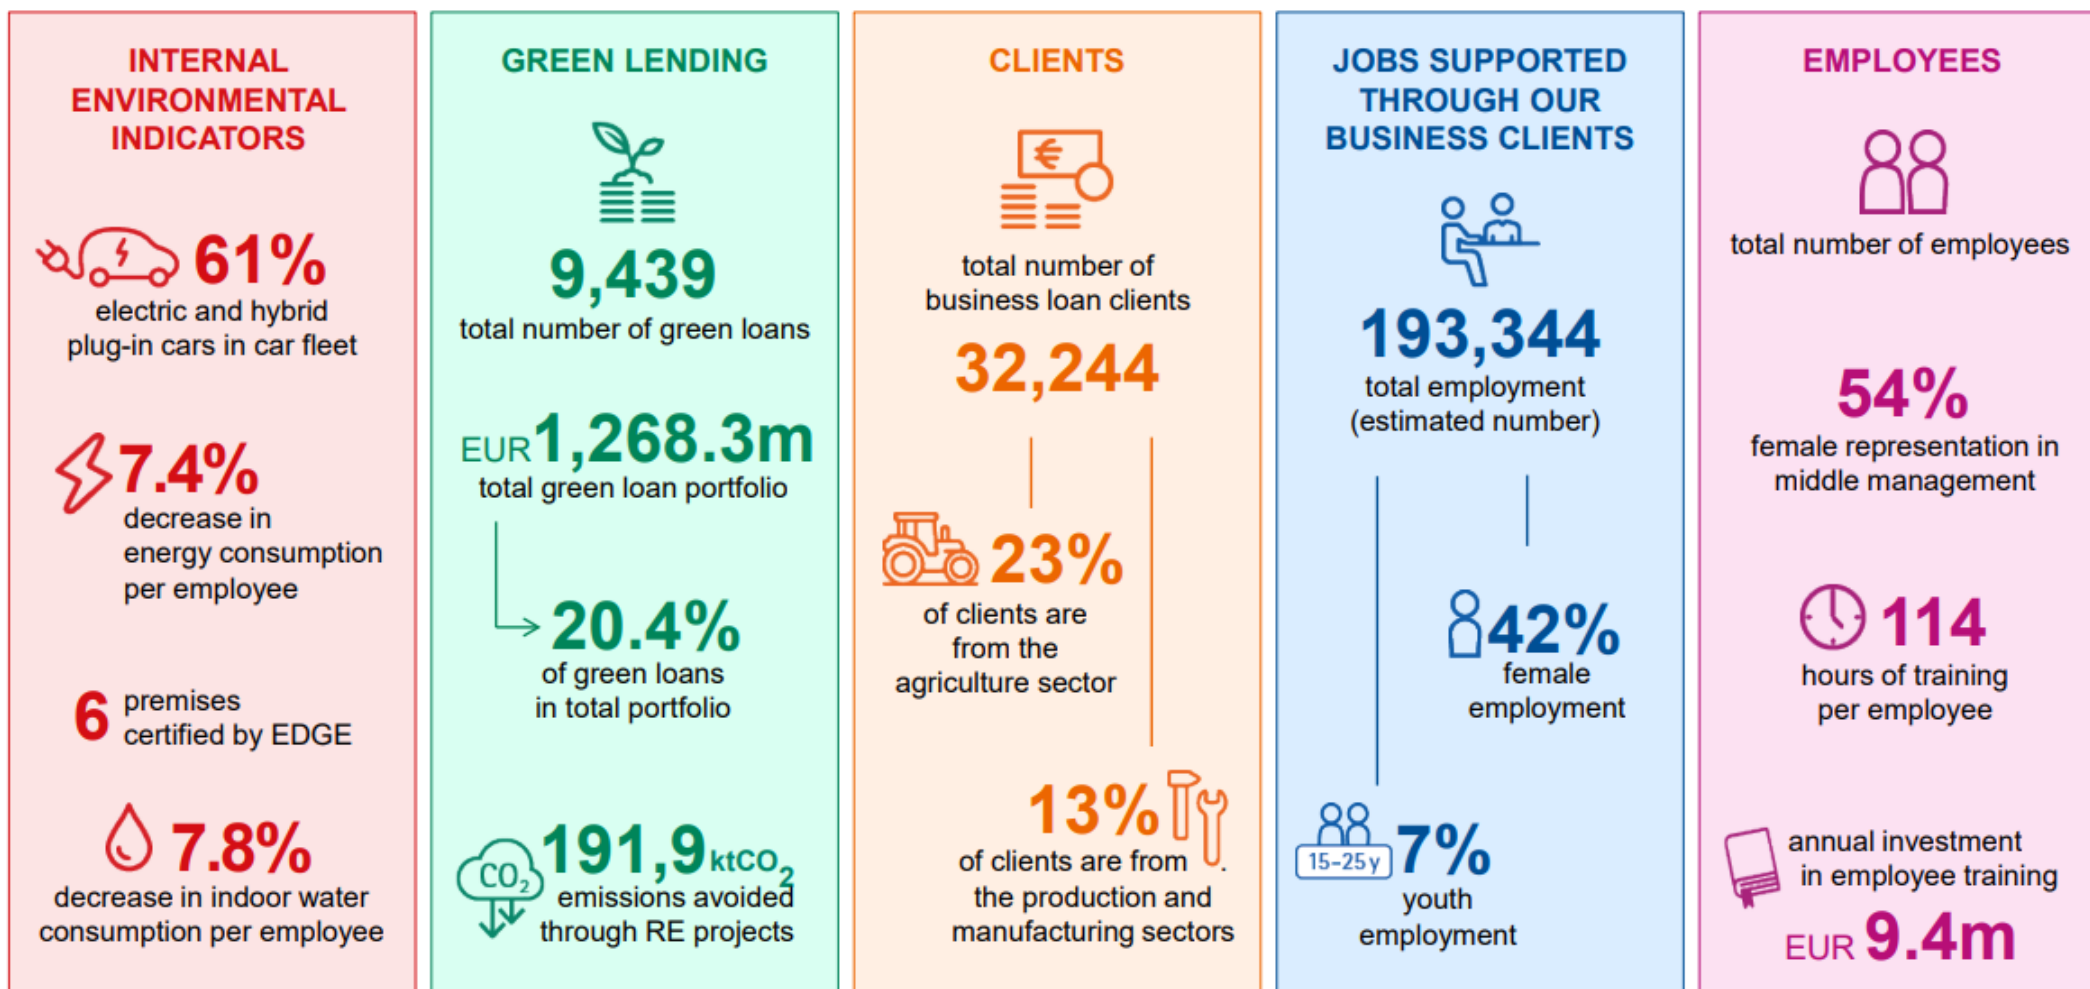

Corporate banking

Utilise local assets and benefit from experienced support and competitive interest rates for financing investments and international trade.

Development-oriented shareholder base of ProCredit Holding AG

With local ProCredit Banks we finance RE across the region
